

We rent out Seabob F5 series and eFoils from Flite and Aerofoils on a daily or weekly basis from our shop location.

We offer trials and training on our fresh-water lake and at various beach locations. Ask for our location schedule for the season.

We operate a Restaurant at the lake, so that friends and family can enjoy food and drinks while you're testing or learning your new favorite toy.

# Water Toys RENTAL

[awt@jy-marine.com](mailto:awt@jy-marine.com)

## About us

We have a strong background in diving and other water sports and provide Electrical Engineering & Services in the local marine industry for many years.

We have our own service facility operating at the highest international standards and make sure that the water toy you rent from us is in perfect technical condition.

## Rental Conditions

- The rental day covers 24 hrs. from pickup before 9am to return next day before 9 am.
- The renter assumes full responsibility for any damage or loss during the rental period.
- The renter must pay the rent upfront and make a deposit of 20,000 THB, which is returned after return and clearance.
- The unit's status is recorded before and after the rental and a damage report is issued, as necessary.
- Damage and loss will be charged based on our service pricing or based on the new price including all applicable costs for delivery to our facility.

Our shop is open from Mo. – Fr. 8:30 – 17:30 hrs.

Outside of these hours you can reach us via phone or email and set up an appointment. That includes Saturday or Sunday as well.

We bring your water toy to any location on the island or to your boat. Just ask for delivery service details.

If you want to learn how to eFoil, we offer introductions and training on our lake or in the sea. Ask for our eFoil school details.
